PROPERTY HIGHLIGHTS

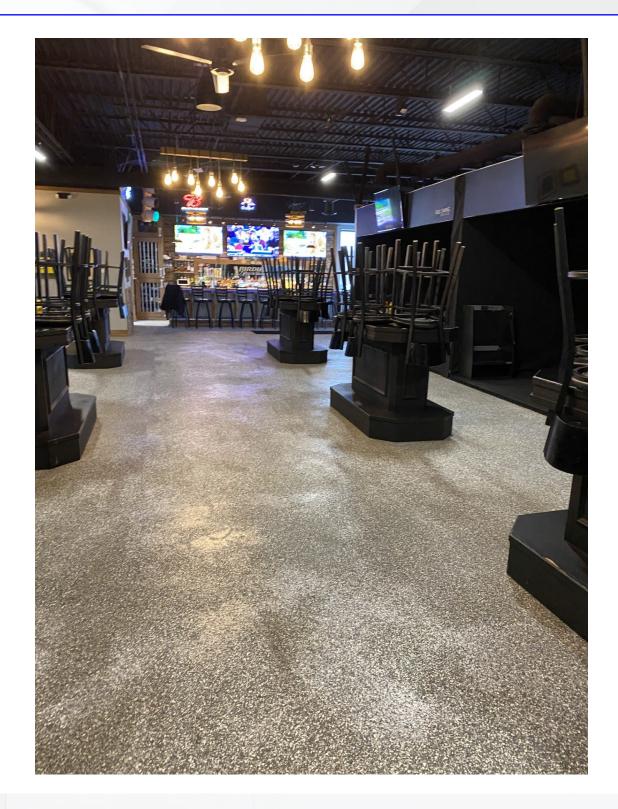

- Across the street from Waterstone, the Legacy Center, and McDonalds.
- Oxford is growing with over 1,200 homes in Waterstone alone and more new construction.
- This business is in Northern Oakland County on M-24, (Lapeer Road) just south of Metamora Michigan. The overall aesthetics are unreal, décor is modern and well maintained, you will feel very comfortable inside this business, like being at home.
- This is the private sale of a virtual golf simulator and bar established that has been open for the past five years and is very successful. This location has 6 Full Swing simulators which are the officially licensed simulators of the PGA tour that also have the capability to play soccer, hockey, basketball, bocce ball, rugby, zombie dodge ball, baseball and an array of carnival games. All simulators have been upgraded to laser projectors in 2020.
- All simulators are equipped with both E6 software and Full Swings own software, which includes all major golf courses. This business was built with a "GREASLESS" kitchen so that the simulators have no grease related issue, with this said it does have the capability to have a standard kitchen if wanted. This location also has a Class C Michigan State liquor license with Sunday sale along with a semi-large bar and bar area.
- Even though the location has been open for 5 years we still maintain another 10 years to go rent is at a below market rental rate for this area.
